

Addison PTA

2018-19

Membership Form

Please join the Addison PTA. Your membership directly impacts your child's education. Your participation strengthens our school community.

The PTA raises funds to support a variety of initiatives that enhance your child's education. Student assemblies, noon enrichment activities, classroom supplies, library books, community events, family nights, and more are funded through PTA membership dues.

As a PTA member, you can share your ideas and concerns, meet and volunteer with other parents and vote on matters of concern to our school community. PTA meetings are open to everyone. Meetings are generally held the second Thursday of each month in the Addison Kids' Club portables. You can find the PTA meetings on the Addison calendar at <http://addison.paloaltopta.org>. Please come!

Please join Addison PTA. Our strength is in our numbers. You count.

National PTA Privacy Policy: National PTA does not collect fees for names. If National PTA does contract with a business to offer a communication or service to its members, it never passes on the contact information to that business. Instead, it always uses a bonded mailing house to do the mailing. (That means that the business sends its mailing to the mail house and the mail house prints one set of labels for those mailers. The contact information is not given to the contracted business).
