

After School Programs at Addison – Spring 2017

The following is a tentative list and short description of each of the after school programs offered at Addison this spring. For registration, scheduling details and the most up to date and accurate information about each of these programs, please refer directly to each of the program's websites, listed below. For specific questions about each program, you may use the contact information listed below.

Please note that this schedule is subject to change. You can find more information about all of the programs offered, as well as new additions or changes to our schedule, on the Addison website at http://www.addison.pausd.org/after_school

These programs are operated after school on or near the Addison campus, but are run independently by the individual providers listed. Programs often fill up quickly. If you have general questions about the programs offered at Addison, please contact the PTA After School Program coordinators Nishita Kothary (NKothary@stanfordhealthcare.org) and Purvi Kapadia (purvi_r@yahoo.com)
